Dear Mr Hart

**KCC Order to prohibit westbound traffic on Sandyhurst Lane**

In case you are not already aware, I am writing to advise you of the widespread anger and resentment of residents in the Sandyhurst Lane area, caused by the contents of your letter dated 16 June 2014 (ref. SEN28236).

We are shocked that such a draconian measure should be introduced without any consultation or apparent consideration of the hundreds of residents and visitors who will be grossly inconvenienced. It is totally unreasonable to close the exit from Sandyhurst Lane to the A20 for a period of six weeks.

We have written to the two Kent County Councillors who represent the constituents who will be affected and I enclose copies for information.

Yours sincerely

**David Porter**
