Dear Tony,

Thank you for your letter on behalf of Sandyhurst Lane Residents' Association.

I am very happy to support your letter to Highways England about resurfacing that stretch of the M20. I suggest that when you write asking mitigating action, do let me know and I will weigh in behind you.

On the lorry parking situation I completely agree with you on trying to expedite the building of the lorry park. This will then need to be accompanied by new powers for councils to stop lorries parking in inappropriate places, and Kent County Council is moving on that front as well. This is all taking a frustratingly long time, but I believe we are still making progress.

Yours sincerely,
