Dear Damian Green

M20 resurfacing scheme

Thank you for your letter dated 17 March 2020 to Jim O'Sullivan, together with a copy of our letter of 13 October 2017, about resurfacing of the M20 between junctions 8 and 9. I am replying to you as this issue falls within my area of responsibility.

We do understand the impact of noise on this section of the motorway and I understand your constituents were hoping this section would be resurfaced in 2021/22.

Our Road Investment Strategy (RIS2) will be delivered between 2020 and 2025. This includes the section of the M20 between junctions 8 and 9 which is now rescheduled to start in 2022/23.

If your office would like any further information, please contact our Programme Development Team Leader, Dean Wright, who will be pleased to respond. He can be contacted by email at dean.wright2@highwaysengland.co.uk or by telephone on 07851 043672. His correspondence address is Bridge House, Walnut Tree Close, Guildford, Surrey GU1 4LZ. Or alternatively contact me or Jim directly.

Yours sincerely

Nick Harris
