LONDON SW1A 0AA

28th January 2016

Dear Mr Faulkner,

Thank you for your letter about the public consultation on Operation Stack.

I am pleased to say that we are in agreement about the desirability of the Department for Transport choosing alternatives 3 or 4 so that the new facility can also be used to help with the problem of general lorry parking.

I have proposed alternative 3, and if adopted I hope that could be followed by a move to take enforcement action against lorries parking irresponsibly overnight.

Yours sincerely,
