LONDON SW1A 0AA

7th February 2019

Dear Tony,

Thank you for your letter about Highways England's Quieter Motorways Initiative.

I will certainly plead the case for the M20 between junctions 8 and 9. Apart from anything else, they are doing so many different types of work along this stretch of motorway at the moment that resurfacing it would seem a relatively minor addition.

Best wishes.

Yours,

Cc Cllr Charlie Simkins, Cllr Larry Krause
