(resubmission of 21/00261/AS)**

Objection comments

Sandyhurst Lane Residents' Association objects to this application, which does not differ substantially from the previous application which was refused. The proposed dwelling would be out of character with the surrounding area because the two-storey extensions would result in a property significantly larger than the neighbouring properties. There also appears to be an excessive area of car parking proposed. Consequently, the visual amenity of this part of Sandyhurst Lane would be adversely affected.
